

Three C's Speech Therapy

Can We Talk? Providing public speaking classes for children ages 8 and up.

What is Can We Talk?: Can We Talk? Is a program that has been developed to improve the verbal and non-verbal communication skills of our children, focusing on helping young people improve their ability to effectively communicate in a public forum.

What skills do you target?: Students will participate in a variety of activities to target and develop articulation, vocal register and variety, vocal projection, eye contact, impromptu speaking skills, confidence builders, posture and more.

How many sessions are included?: Can We Talk? Is a total of 8 one hour sessions.

How will the skills be showcased?: At the end of the summer, parents will be invited to an oratorical event where students will present their speeches.
